APPROPRIATION BY NUNN

Utah County Man Has More Large Projects in View.

In the office of State Engineer Caleb Tanner Thursday an application for the appropriation of water for power pur-poses was filed by Lucien L. Num of Provo. He asks for fifteen second-fest

of water from Grove creek, in the Utah lake system, in Utah county. The point of diversion is on section 21, in township 5, south of range 2 west, of the Salt Lake meridian.

A Pelton wheel, under a head of 1947 feet, will produce 3500 horse-power, which is to be transported for use for heat, motive power and other purposes to Park City? Bingham, Logan, Eureka, Mercur and Ogden and elsewhere in Utah.

Marcur and Oguel and Utah.

Mr. Nunn is a strong factor in the management of the Telluride Power company, and the inference is that the enterprise and consideration will become a part of that company's system.
